

Angel 'Pebbles' Cintron

One of the finest pink ball stars of his day, Angel Cintron, known as “Pebbles,” especially to his friends, was more often than not on the Peak Pyramid, the chart devised by Dave Andre, which revealed the best pink ball players of the day.

Angel earned top spot on the Pyramid in April of 1985. He was second in May of '85. In October of '83 he was fourth. The great pink ball players of the 1970's and '80's, one and all, acknowledge his rightful place in the NYHHOF.
