

# Wally Ulbrich\* – 2006

Modeling his style on Oscar Obert, who tutored Wally, Ulbrich, like Oscar, was all business on the court, rarely cracking a smile. But he cracked the ball with shocking power. And he struck bottom board kills with total focus and aggression.

A superior National 1-Wall Doubles Champion, Wally, partnered with Joel Wisotsky, won two National 3-Wall Doubles Championships. In 1972 he was USHA National 1-Wall Singles titlist, and in 1977 he was runner-up in the USHA National 1-Wall Singles event. Because of his work as a NYC firefighter, Wally did not enter both singles and doubles in the annual Nationals. More often he chose doubles with National Hall of Fame results.
