

AI “Teacher” Goldstein

A New York elementary school principal, AI “Teacher” Goldstein was a strong 1-wall player for many years.

In 1955 he was a National AAU Doubles Semi-finalist. Always in peak condition, he truly excelled as a 1-wall masters competitor. He won the National AAU 1-Wall Doubles Masters titles in 1962 and 1969, and the USHA 1-Wall Masters Doubles title in 1965 and '69. Into his late 70's he continued running and completing the NY Marathon. At this writing, he is 93 years old, and he still comes to observe the USHA 1-Wall Nationals in Coney Island, fully cognizant of all that is going on.
