

# Mike Meltzer – PA – 2008

**Mike believed strongly in the importance of giving back to the game he loved. He was known in handball circles as the “super volunteer.”**

From 1983 to this writing he volunteered at the 1-, 3-, and 4-wall Nationals, handling problems arising in matches, insuring that the games were on time, etc. He enjoyed working with Bob Peters, Vern Roberts, and Matt Kreuger at these tournaments.

In 2008 Mike was the honored recipient of the USHA's Carl Porter Award. The award had been established to honor those who performed outstanding service to the USHA on a national level. His was the second Porter Award to be given, the first one presented to the outstanding navy medical team which worked every year at the USHA 4-Wall Nationals.
