

Mark Levine* - 2013

Among the craftiest players, Mark had wonderful reflexes and a sixth sense of where to place his shots. Using all his skills enabled him to win one National 1-Wall Singles Championship and three National 1-Wall Doubles Championships.

In addition he was National 1-Wall Runner-up in doubles twice while partnered with a man over 50 years of age. In 1973 Mark took first prize in a 1-wall round-robin singles invitational involving eight of the best singles players of the day, including Steve Sandler. Mark was generally regarded as the second best player of the '70's next to Sandler. He placed second in National 1-Wall singles four times and won the National YMCA Singles title two times. He is the only player to simultaneously hold both the National 1-Wall Junior Singles title and the National Open Singles title.
