

Morty Katz

Like a fine wine, Morty got better with age. Past 50 years old, he proved to be a strong supporting partner to Mark Levine both in 1978 and '79, the team placing second in the USHA National Doubles.

In 1980, this time teamed with Neal Bocian, Morty helped his partner to runner-up status in the National USHA Doubles. An excellent masters player, Morty won the National AAU Masters Doubles in 1976, and placed second in 1975 (AAU), 1978 (USHA), and 1982 (USHA). His ability to maintain his power throughout his fifties and to keep the ball in play with high, hard pounding was a stabilizing factor for all his partners.
