

Joe Durso* - 2012

The most powerful hitter of his era, 1980-1995, Durso frequently defeated opponents with an array of controlled tap shots with either hand.

With a total of 23 National 1-Wall National Championships, he was clearly the best 1-Waller of the '80's and early '90's. Joe claimed he was an artist on the court creating moments of beauty with each volley.
