

Albert Apuzzi* - 2011

Among the fastest men ever to play 1-wall, Apuzzi, at this writing (2015), holds the current record for National Doubles Championships, a record he established during the mid-1980's through the late '90's.

Excellent on defense, owing to his great speed, Albert hit the ball with power, and was capable of driving the ball with his opposite left as well as with his strong hand. Always intense and focused, Albert also won two National 1-Wall Singles Championships.
