Little Louie was all hustle and drive with an incredible low, out-hooking serve. With National Doubles championships in 4-Wall, 3-Wall, and 1-Wall, Russo's record is most impressive.

Seemingly everywhere on the court, frustrating one opponent after another in 4-wall, Russo was also an excellent 3-wall singles player, winning a National Championship in that form of the sport in 1972 and '73. In '87 Louie, still fast and full of vigor, won a National 3-Wall Masters Singles title!
