

Rosemary Bellini* - 1996 (NGM)

The first woman
inducted into the
USHA National Hall
of Fame.

Rosemary is to women's handball what Vic Hershkowitz and Oscar Obert are to men's handball. She was a super champion for many years, far superior to all competition, and on all handball courts, 1-, 3-, and 4-wall, both in singles and doubles. Her fabulous abilities remained with her well beyond open competition.
