An all-around champion like each of his brothers, Carl, also like each of his brothers, was always remarkably fit.

Possessed of great court savvy, he was a superb doubles player in 4-wall, 3-wall, and 1-wall. Known mostly for his amazing hopping service, Carl won National singles titles as well as National doubles crowns in both 3-wall and 1-wall. It was not uncommon for a Carl Obert rival to find himself down by ten points before

returning a serve to the wall. Always filled with hustle and spirit, his will to win, along with his great skills, brought him many victories.
